Donations to your NAJYRC team benefit our Junior & Young Riders in many ways and without the support from people like you, many of these riders would be unable to attend this event and participate in such a prestigious competition. Your donations make sure that any young rider, regardless of their personal financial circumstances, that has the desire and is not afraid to work hard can participate! It not only takes hard work and hours in the saddle, but the support from THIS community to help these young riders reach their goals. All proceeds collected will help send this year's team to the finals here in Colorado in July !!

**Your 2016 NAJYRC team thanks you for your support!**
